FLORAL APP

USER STORY

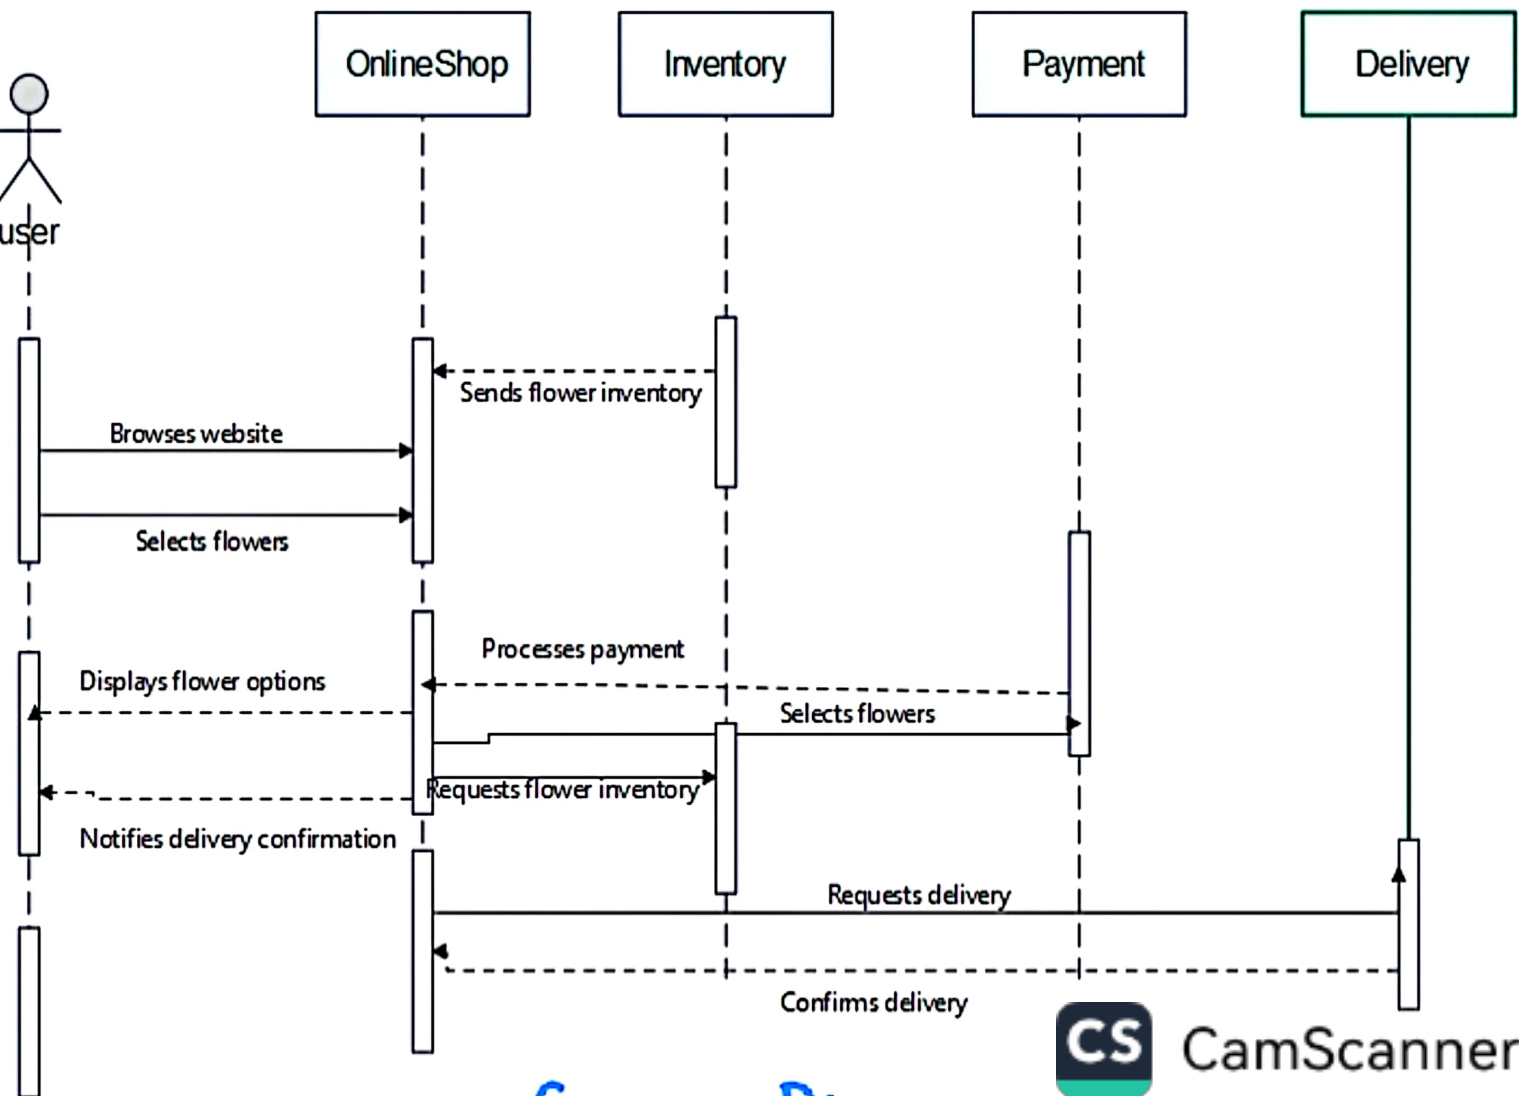

1. As a customer, I want to browse through a wide variety of fresh flowers so I can find the perfect arrangement for any occasion.
2. As a customer, I want to be able to easily search for specific types of flowers or arrangements to suit my preferences.
3. As a customer, I want to view detailed descriptions and images of each flower arrangement to ensure I'm making the right choice.
4. As a customer, I want to be able to add flowers to my cart and proceed through a seamless checkout process.
5. As a customer, I want to have the option to add a personalized message to accompany the flower delivery.
6. As a customer, I want to be able to track the status of my flower delivery in real-time.
7. As a customer, I want to receive notifications regarding the status of my order, including confirmation of purchase, shipping updates, and delivery confirmation.
8. As a customer, I want to have the option to schedule flower deliveries for specific dates and times.
9. As a customer, I want to be able to easily contact customer support for any inquiries or issues regarding my order.
10. As a customer, I want to have the option to save my payment information securely for faster checkout in the future
